

AUTHOR'S DECLARATION

regarding the submission and publication of a scientific article

I, _____,
(full name of the author/corresponding author)

by submitting the scientific article

(title of the article)

to the Editorial Office of

(name of the collection/publication)

founded by _____,
(full name of the founding organization)

hereby confirm the following:

1. Authorship

I am the author (co-author) of the submitted article and possess all necessary rights to submit it to the Editorial Office of the Collection.

2. Authors' contribution

All persons listed in the article meet the criteria for authorship and have made a significant contribution to the conduct of the research and the preparation of the manuscript.

3. Consent of co-authors

All co-authors are familiar with the final version of the article and agree to its submission to this publication.

4. Originality of the work

The article is an original scientific work. It has not been previously published, and it is not under consideration for publication in other collections or publications.

5. Academic integrity

The work contains no plagiarism. All borrowings are properly formatted and accompanied by appropriate references to the sources.

6. Third-party rights

The author guarantees that the article does not infringe copyright, other intellectual property rights, or any other rights of third parties.

7. Conflict of interest

The author declares:

- Absence of a conflict of interest.
 - Presence of a conflict of interest (description):
-

8. Sources of funding

Information on research funding (if any):

9. Granting rights to use the work

The author **grants the Editorial Office of**

(name of the collection/publication)

a non-exclusive license to use the submitted article.

The license is granted **free of charge**.

The license is granted **for the territory of all countries worldwide**.

The license is granted **for the duration of the author's intellectual property rights in the work**.

The author grants the Editorial Office the right to use the work in the following ways:

- Reproduction of the work.
- Publication of the work in the Collection.
- Inclusion of the work in collections, anthologies, databases, and other publications.
- Distribution of copies of the work.
- Translation of the work.
- Revision, adaptation, and other similar modifications of the work.
- Scientific, literary, and technical editing of the work.
- Any subsequent disclosure of the work.
- Making the work available on the Internet.
- Placement in electronic libraries and information systems.
- Other means of making the work available to the public.

10. Terms of distribution

If the article is accepted for publication, its distribution shall adhere to the terms of the **Creative Commons Attribution 4.0 International (CC BY 4.0)** license.

11. Restricted information

The author confirms that the article does not contain restricted information, specifically information constituting a commercial secret or official information.

12. Editorial processing

The author agrees to the Editorial Office's right to carry out translation, scientific, literary, and technical editing, revision, and adaptation of the article without distorting its content under the author's consent.

13. Responsibility

The author bears responsibility for the accuracy of the data, facts, citations, and references provided in the article.
